I would among other things wish for a copy of Bailey Browne and a bill of what I owe you. When in London I was much gratified by an interview I had with the poet Leigh Hunt – There we soon that he is out of the salary that them with such brightness when Byron was head of the ascendant. We talked about all sorts of things and I found him exceedingly contemn and unaffected

This is the Statement of account. But now I find that I have not the particulars of the £17.7 sent me by P. Peace. She is in London and I must write to ask her to send the particulars by next steamer. I has her letter but having no idea of the sum I kept no copy of my letter which I burnt or destroyed here. She with doubtless have a memorandum. I did not ~~forget~~ the melancholy fact till I opened my book to copy the above. I heard today that the Yearly Meeting of London (English Friends) have resolved to send Wm Foster, ~~Irish~~ Foster & George Stacey (2 great elders in the church) over to Indiana to try & settle matters between the Anti-Hicksite Friends of the church of Indiana. It is thought that Joseph Bewley of Dublin will be sent with them. He leads Friends by the nose in Ireland I think it most likely they will be bamboozled by the Pro-Hicksite party – Hicksite at any rate they will find it a more difficult matter to reconcile pro-Hicksite Anti-Hicksite than they supposed. This will be a matter of great interest to Friends in these countries who care any
